

Order form for an overview of data according to § 34 BDSG

We would like you to be properly informed. Together with your overview of data you will also receive details of inquiries regarding creditworthiness made by contracting parties during the past 12 months. As part of the scoring procedure we generate as reliable a forecast as possible for the future based on our collective experience. For example, using mathematical and statistical procedures we will calculate the probability that a customer will comply with any contractual payment obligations.
